1321 3. In implementing the provisions of this section related
1322 to prior authorization, the agency shall ensure that the process
1323 for authorization is accessible 24 hours per day, 7 days per
1324 week and authorization is automatically granted when not denied
1325 within 4 hours after the request. Authorization procedures must
1326 include steps for review of denials.

1327 4. Upon implementing the prior authorization program for
1328 hospital inpatient services, the agency shall discontinue its
1329 hospital retrospective review program. However, this
1330 subparagraph may not be construed to prevent the agency from
1331 conducting retrospective reviews under s. 409.913, including,
1332 but not limited to, reviews in which an overpayment is suspected
1333 due to a mistake or submission of an improper claim or for other
1334 reasons that do not rise to the level of fraud or abuse.

1335 Section 38. It is the intent of the Legislature that s.
1336 409.905(5)(a), Florida Statutes, as amended by this act,

1337 confirms and clarifies existing law. This section shall take
 1338 effect upon this act becoming a law.

1339 Section 39. Subsection (8) of section 409.907, Florida
 1340 Statutes, is amended to read:

1341 409.907 Medicaid provider agreements.—The agency may make
 1342 payments for medical assistance and related services rendered to
 1343 Medicaid recipients only to an individual or entity who has a
 1344 provider agreement in effect with the agency, who is performing
 1345 services or supplying goods in accordance with federal, state,
 1346 and local law, and who agrees that no person shall, on the
 1347 grounds of handicap, race, color, or national origin, or for any
 1348 other reason, be subjected to discrimination under any program
 1349 or activity for which the provider receives payment from the
 1350 agency.

1351 (8) (a) A level 2 background screening pursuant to chapter
 1352 435 must be conducted through the agency on each of the
 1353 following:

1354 1. The ~~Each~~ provider, or each principal of the provider if
 1355 the provider is a corporation, partnership, association, or
 1356 other entity, ~~seeking to participate in the Medicaid program~~
 1357 ~~must submit a complete set of his or her fingerprints to the~~
 1358 ~~agency for the purpose of conducting a criminal history record~~
 1359 ~~check.~~

1360 2. Principals of the provider, who include any officer,
 1361 director, billing agent, managing employee, or affiliated

1362 person, or any partner or shareholder who has an ownership
1363 interest equal to 5 percent or more in the provider. However,
1364 for a hospital licensed under chapter 395 or a nursing home
1365 licensed under chapter 400, principals of the provider are those
1366 who meet the definition of a controlling interest under s.
1367 408.803. A director of a not-for-profit corporation or
1368 organization is not a principal for purposes of a background
1369 investigation required by this section if the director: serves
1370 solely in a voluntary capacity for the corporation or
1371 organization, does not regularly take part in the day-to-day
1372 operational decisions of the corporation or organization,
1373 receives no remuneration from the not-for-profit corporation or
1374 organization for his or her service on the board of directors,
1375 has no financial interest in the not-for-profit corporation or
1376 organization, and has no family members with a financial
1377 interest in the not-for-profit corporation or organization; and
1378 if the director submits an affidavit, under penalty of perjury,
1379 to this effect to the agency and the not-for-profit corporation
1380 or organization submits an affidavit, under penalty of perjury,
1381 to this effect to the agency as part of the corporation's or
1382 organization's Medicaid provider agreement application.

1383 3. Any person who participates or seeks to participate in
1384 the Medicaid program by way of rendering services to Medicaid
1385 recipients or having direct access to Medicaid recipients,
1386 recipient living areas, or the financial, medical, or service

1387 records of a Medicaid recipient or who supervises the delivery
1388 of goods or services to a Medicaid recipient. This subparagraph
1389 does not impose additional screening requirements on any
1390 providers licensed under part II of chapter 408.

1391 4. Nonemergency transportation drivers who are employed or
1392 contracted with transportation network companies or
1393 transportation brokers are not subject to a level 2 background
1394 screening, but must comply with a level 1 background screening
1395 pursuant to chapter 435 or an equivalent screening as authorized
1396 in s. 316.87.

1397 (b) Notwithstanding paragraph (a) the above, the agency
1398 may require a background check for any person reasonably
1399 suspected by the agency to have been convicted of a crime.

1400 (c)-(a) Paragraph (a) ~~This subsection~~ does not apply to:

1401 1. A unit of local government, except that requirements of
1402 this subsection apply to nongovernmental providers and entities
1403 contracting with the local government to provide Medicaid
1404 services. The actual cost of the state and national criminal
1405 history record checks must be borne by the nongovernmental
1406 provider or entity; or

1407 2. Any business that derives more than 50 percent of its
1408 revenue from the sale of goods to the final consumer, and the
1409 business or its controlling parent is required to file a form
1410 10-K or other similar statement with the Securities and Exchange
1411 Commission or has a net worth of \$50 million or more.

1412 (d) ~~(b)~~ Background screening shall be conducted in
1413 accordance with chapter 435 and s. 408.809. The cost of the
1414 state and national criminal record check shall be borne by the
1415 provider.

1416 Section 40. Paragraph (a) of subsection (1) of section
1417 409.908, Florida Statutes, is amended to read:

1418 409.908 Reimbursement of Medicaid providers.—Subject to
1419 specific appropriations, the agency shall reimburse Medicaid
1420 providers, in accordance with state and federal law, according
1421 to methodologies set forth in the rules of the agency and in
1422 policy manuals and handbooks incorporated by reference therein.
1423 These methodologies may include fee schedules, reimbursement
1424 methods based on cost reporting, negotiated fees, competitive
1425 bidding pursuant to s. 287.057, and other mechanisms the agency
1426 considers efficient and effective for purchasing services or
1427 goods on behalf of recipients. If a provider is reimbursed based
1428 on cost reporting and submits a cost report late and that cost
1429 report would have been used to set a lower reimbursement rate
1430 for a rate semester, then the provider's rate for that semester
1431 shall be retroactively calculated using the new cost report, and
1432 full payment at the recalculated rate shall be effected
1433 retroactively. Medicare-granted extensions for filing cost
1434 reports, if applicable, shall also apply to Medicaid cost
1435 reports. Payment for Medicaid compensable services made on
1436 behalf of Medicaid eligible persons is subject to the

1437 availability of moneys and any limitations or directions
 1438 provided for in the General Appropriations Act or chapter 216.
 1439 Further, nothing in this section shall be construed to prevent
 1440 or limit the agency from adjusting fees, reimbursement rates,
 1441 lengths of stay, number of visits, or number of services, or
 1442 making any other adjustments necessary to comply with the
 1443 availability of moneys and any limitations or directions
 1444 provided for in the General Appropriations Act, provided the
 1445 adjustment is consistent with legislative intent.

1446 (1) Reimbursement to hospitals licensed under part I of
 1447 chapter 395 must be made prospectively or on the basis of
 1448 negotiation.

1449 (a) Reimbursement for inpatient care is limited as
 1450 provided in s. 409.905(5), except as otherwise provided in this
 1451 subsection.

1452 1. If authorized by the General Appropriations Act, the
 1453 agency may modify reimbursement for specific types of services
 1454 or diagnoses, recipient ages, and hospital provider types.

1455 2. The agency may establish an alternative methodology to
 1456 the DRG-based prospective payment system to set reimbursement
 1457 rates for:

- 1458 a. State-owned psychiatric hospitals.
- 1459 b. Newborn hearing screening services.
- 1460 c. Transplant services for which the agency has
- 1461 established a global fee.

1462 d. Recipients who have tuberculosis that is resistant to
1463 therapy who are in need of long-term, hospital-based treatment
1464 pursuant to s. 392.62.

1465 ~~e. Class III psychiatric hospitals.~~

1466 3. The agency shall modify reimbursement according to
1467 other methodologies recognized in the General Appropriations
1468 Act.

1469
1470 The agency may receive funds from state entities, including, but
1471 not limited to, the Department of Health, local governments, and
1472 other local political subdivisions, for the purpose of making
1473 special exception payments, including federal matching funds,
1474 through the Medicaid inpatient reimbursement methodologies.
1475 Funds received for this purpose shall be separately accounted
1476 for and may not be commingled with other state or local funds in
1477 any manner. The agency may certify all local governmental funds
1478 used as state match under Title XIX of the Social Security Act,
1479 to the extent and in the manner authorized under the General
1480 Appropriations Act and pursuant to an agreement between the
1481 agency and the local governmental entity. In order for the
1482 agency to certify such local governmental funds, a local
1483 governmental entity must submit a final, executed letter of
1484 agreement to the agency, which must be received by October 1 of
1485 each fiscal year and provide the total amount of local
1486 governmental funds authorized by the entity for that fiscal year

1487 | under this paragraph, paragraph (b), or the General
 1488 | Appropriations Act. The local governmental entity shall use a
 1489 | certification form prescribed by the agency. At a minimum, the
 1490 | certification form must identify the amount being certified and
 1491 | describe the relationship between the certifying local
 1492 | governmental entity and the local health care provider. The
 1493 | agency shall prepare an annual statement of impact which
 1494 | documents the specific activities undertaken during the previous
 1495 | fiscal year pursuant to this paragraph, to be submitted to the
 1496 | Legislature annually by January 1.

1497 | Section 41. Section 409.913, Florida Statutes, is amended
 1498 | to read:

1499 | 409.913 Oversight of the integrity of the Medicaid
 1500 | program.—The agency shall operate a program to oversee the
 1501 | activities of Florida Medicaid recipients, and providers and
 1502 | their representatives, to ensure that fraudulent and abusive
 1503 | behavior and neglect of recipients occur to the minimum extent
 1504 | possible, and to recover overpayments and impose sanctions as
 1505 | appropriate. Each January 15 ~~4~~, the agency and the Medicaid
 1506 | Fraud Control Unit of the Department of Legal Affairs shall
 1507 | submit a ~~joint~~ report to the Legislature documenting the
 1508 | effectiveness of the state's efforts to control Medicaid fraud
 1509 | and abuse and to recover Medicaid overpayments during the
 1510 | previous fiscal year. The report must describe the number of
 1511 | cases opened and investigated each year; the sources of the

1512 cases opened; the disposition of the cases closed each year; the
1513 amount of overpayments alleged in preliminary and final audit
1514 letters; the number and amount of fines or penalties imposed;
1515 any reductions in overpayment amounts negotiated in settlement
1516 agreements or by other means; the amount of final agency
1517 determinations of overpayments; the amount deducted from federal
1518 claiming as a result of overpayments; the amount of overpayments
1519 recovered each year; the amount of cost of investigation
1520 recovered each year; the average length of time to collect from
1521 the time the case was opened until the overpayment is paid in
1522 full; the amount determined as uncollectible and the portion of
1523 the uncollectible amount subsequently reclaimed from the Federal
1524 Government; the number of providers, by type, that are
1525 terminated from participation in the Medicaid program as a
1526 result of fraud and abuse; and all costs associated with
1527 discovering and prosecuting cases of Medicaid overpayments and
1528 making recoveries in such cases. The report must also document
1529 actions taken to prevent overpayments and the number of
1530 providers prevented from enrolling in or reenrolling in the
1531 Medicaid program as a result of documented Medicaid fraud and
1532 abuse and must include policy recommendations necessary to
1533 prevent or recover overpayments and changes necessary to prevent
1534 and detect Medicaid fraud. All policy recommendations in the
1535 report must include a detailed fiscal analysis, including, but
1536 not limited to, implementation costs, estimated savings to the

1537 Medicaid program, and the return on investment. The agency must
 1538 submit the policy recommendations and fiscal analyses in the
 1539 report to the appropriate estimating conference, pursuant to s.
 1540 216.137, by February 15 of each year. The agency and the
 1541 Medicaid Fraud Control Unit of the Department of Legal Affairs
 1542 each must include detailed unit-specific performance standards,
 1543 benchmarks, and metrics in the report, including projected cost
 1544 savings to the state Medicaid program during the following
 1545 fiscal year.

1546 (1) For the purposes of this section, the term:

1547 (a) "Abuse" means:

1548 1. Provider practices that are inconsistent with generally
 1549 accepted business or medical practices and that result in an
 1550 unnecessary cost to the Medicaid program or in reimbursement for
 1551 goods or services that are not medically necessary or that fail
 1552 to meet professionally recognized standards for health care.

1553 2. Recipient practices that result in unnecessary cost to
 1554 the Medicaid program.

1555 (b) "Complaint" means an allegation that fraud, abuse, or
 1556 an overpayment has occurred.

1557 (c) "Fraud" means an intentional deception or
 1558 misrepresentation made by a person with the knowledge that the
 1559 deception results in unauthorized benefit to herself or himself
 1560 or another person. The term includes any act that constitutes
 1561 fraud under applicable federal or state law.

1562 (d) "Medical necessity" or "medically necessary" means any
 1563 goods or services necessary to palliate the effects of a
 1564 terminal condition, or to prevent, diagnose, correct, cure,
 1565 alleviate, or preclude deterioration of a condition that
 1566 threatens life, causes pain or suffering, or results in illness
 1567 or infirmity, which goods or services are provided in accordance
 1568 with generally accepted standards of medical practice. For
 1569 purposes of determining Medicaid reimbursement, the agency is
 1570 the final arbiter of medical necessity. Determinations of
 1571 medical necessity must be made by a licensed physician employed
 1572 by or under contract with the agency and must be based upon
 1573 information available at the time the goods or services are
 1574 provided.

1575 (e) "Overpayment" includes any amount that is not
 1576 authorized to be paid by the Medicaid program whether paid as a
 1577 result of inaccurate or improper cost reporting, improper
 1578 claiming, unacceptable practices, fraud, abuse, or mistake.

1579 (f) "Person" means any natural person, corporation,
 1580 partnership, association, clinic, group, or other entity,
 1581 whether or not such person is enrolled in the Medicaid program
 1582 or is a provider of health care.

1583 (2) The agency shall conduct, or cause to be conducted by
 1584 contract or otherwise, reviews, investigations, analyses,
 1585 audits, or any combination thereof, to determine possible fraud,
 1586 abuse, overpayment, or recipient neglect in the Medicaid program

1587 and shall report the findings of any overpayments in audit
 1588 reports as appropriate. At least 5 percent of all audits shall
 1589 be conducted on a random basis. As part of its ongoing fraud
 1590 detection activities, the agency shall identify and monitor, by
 1591 contract or otherwise, patterns of overutilization of Medicaid
 1592 services based on state averages. The agency shall track
 1593 Medicaid provider prescription and billing patterns and evaluate
 1594 them against Medicaid medical necessity criteria and coverage
 1595 and limitation guidelines adopted by rule. Medical necessity
 1596 determination requires that service be consistent with symptoms
 1597 or confirmed diagnosis of illness or injury under treatment and
 1598 not in excess of the patient's needs. The agency shall conduct
 1599 reviews of provider exceptions to peer group norms and shall,
 1600 using statistical methodologies, provider profiling, and
 1601 analysis of billing patterns, detect and investigate abnormal or
 1602 unusual increases in billing or payment of claims for Medicaid
 1603 services and medically unnecessary provision of services.

1604 (3) The agency may conduct, or may contract for,
 1605 prepayment review of provider claims to ensure cost-effective
 1606 purchasing; to ensure that billing by a provider to the agency
 1607 is in accordance with applicable provisions of all Medicaid
 1608 rules, regulations, handbooks, and policies and in accordance
 1609 with federal, state, and local law; and to ensure that
 1610 appropriate care is rendered to Medicaid recipients. Such
 1611 prepayment reviews may be conducted as determined appropriate by

1612 the agency, without any suspicion or allegation of fraud, abuse,
1613 or neglect, and may last for up to 1 year. Unless the agency has
1614 reliable evidence of fraud, misrepresentation, abuse, or
1615 neglect, claims shall be adjudicated for denial or payment
1616 within 90 days after receipt of complete documentation by the
1617 agency for review. If there is reliable evidence of fraud,
1618 misrepresentation, abuse, or neglect, claims shall be
1619 adjudicated for denial of payment within 180 days after receipt
1620 of complete documentation by the agency for review.

1621 (4) Any suspected criminal violation identified by the
1622 agency must be referred to the Medicaid Fraud Control Unit of
1623 the Office of the Attorney General for investigation. The agency
1624 and the Attorney General shall enter into a memorandum of
1625 understanding, which must include, but need not be limited to, a
1626 protocol for regularly sharing information and coordinating
1627 casework. The protocol must establish a procedure for the
1628 referral by the agency of cases involving suspected Medicaid
1629 fraud to the Medicaid Fraud Control Unit for investigation, and
1630 the return to the agency of those cases where investigation
1631 determines that administrative action by the agency is
1632 appropriate. Offices of the Medicaid program integrity program
1633 and the Medicaid Fraud Control Unit of the Department of Legal
1634 Affairs, shall, to the extent possible, be collocated. The
1635 agency and the Department of Legal Affairs shall periodically
1636 conduct joint training and other joint activities designed to

1637 increase communication and coordination in recovering
1638 overpayments.

1639 (5) A Medicaid provider is subject to having goods and
1640 services that are paid for by the Medicaid program reviewed by
1641 an appropriate peer-review organization designated by the
1642 agency. The written findings of the applicable peer-review
1643 organization are admissible in any court or administrative
1644 proceeding as evidence of medical necessity or the lack thereof.

1645 (6) Any notice required to be given to a provider under
1646 this section is presumed to be sufficient notice if sent to the
1647 address last shown on the provider enrollment file. It is the
1648 responsibility of the provider to furnish and keep the agency
1649 informed of the provider's current address. United States Postal
1650 Service proof of mailing or certified or registered mailing of
1651 such notice to the provider at the address shown on the provider
1652 enrollment file constitutes sufficient proof of notice. Any
1653 notice required to be given to the agency by this section must
1654 be sent to the agency at an address designated by rule.

1655 (7) When presenting a claim for payment under the Medicaid
1656 program, a provider has an affirmative duty to supervise the
1657 provision of, and be responsible for, goods and services claimed
1658 to have been provided, to supervise and be responsible for
1659 preparation and submission of the claim, and to present a claim
1660 that is true and accurate and that is for goods and services
1661 that:

1662 (a) Have actually been furnished to the recipient by the
 1663 provider prior to submitting the claim.

1664 (b) Are Medicaid-covered goods or services that are
 1665 medically necessary.

1666 (c) Are of a quality comparable to those furnished to the
 1667 general public by the provider's peers.

1668 (d) Have not been billed in whole or in part to a
 1669 recipient or a recipient's responsible party, except for such
 1670 copayments, coinsurance, or deductibles as are authorized by the
 1671 agency.

1672 (e) Are provided in accord with applicable provisions of
 1673 all Medicaid rules, regulations, handbooks, and policies and in
 1674 accordance with federal, state, and local law.

1675 (f) Are documented by records made at the time the goods
 1676 or services were provided, demonstrating the medical necessity
 1677 for the goods or services rendered. Medicaid goods or services
 1678 are excessive or not medically necessary unless both the medical
 1679 basis and the specific need for them are fully and properly
 1680 documented in the recipient's medical record.

1681
 1682 The agency shall deny payment or require repayment for goods or
 1683 services that are not presented as required in this subsection.

1684 (8) The agency shall not reimburse any person or entity
 1685 for any prescription for medications, medical supplies, or
 1686 medical services if the prescription was written by a physician

1687 or other prescribing practitioner who is not enrolled in the
1688 Medicaid program. This section does not apply:

1689 (a) In instances involving bona fide emergency medical
1690 conditions as determined by the agency;

1691 (b) To a provider of medical services to a patient in a
1692 hospital emergency department, hospital inpatient or outpatient
1693 setting, or nursing home;

1694 (c) To bona fide pro bono services by preapproved non-
1695 Medicaid providers as determined by the agency;

1696 (d) To prescribing physicians who are board-certified
1697 specialists treating Medicaid recipients referred for treatment
1698 by a treating physician who is enrolled in the Medicaid program;

1699 (e) To prescriptions written for dually eligible Medicare
1700 beneficiaries by an authorized Medicare provider who is not
1701 enrolled in the Medicaid program;

1702 (f) To other physicians who are not enrolled in the
1703 Medicaid program but who provide a medically necessary service
1704 or prescription not otherwise reasonably available from a
1705 Medicaid-enrolled physician; or

1706 (9) A Medicaid provider shall retain medical,
1707 professional, financial, and business records pertaining to
1708 services and goods furnished to a Medicaid recipient and billed
1709 to Medicaid for a period of 5 years after the date of furnishing
1710 such services or goods. The agency may investigate, review, or
1711 analyze such records, which must be made available during normal

1712 business hours. However, 24-hour notice must be provided if
1713 patient treatment would be disrupted. The provider must keep the
1714 agency informed of the location of the provider's Medicaid-
1715 related records. The authority of the agency to obtain Medicaid-
1716 related records from a provider is neither curtailed nor limited
1717 during a period of litigation between the agency and the
1718 provider.

1719 (10) Payments for the services of billing agents or
1720 persons participating in the preparation of a Medicaid claim
1721 shall not be based on amounts for which they bill nor based on
1722 the amount a provider receives from the Medicaid program.

1723 (11) The agency shall deny payment or require repayment
1724 for inappropriate, medically unnecessary, or excessive goods or
1725 services from the person furnishing them, the person under whose
1726 supervision they were furnished, or the person causing them to
1727 be furnished.

1728 (12) The complaint and all information obtained pursuant
1729 to an investigation of a Medicaid provider, or the authorized
1730 representative or agent of a provider, relating to an allegation
1731 of fraud, abuse, or neglect are confidential and exempt from the
1732 provisions of s. 119.07(1):

1733 (a) Until the agency takes final agency action with
1734 respect to the provider and requires repayment of any
1735 overpayment, or imposes an administrative sanction;

1736 (b) Until the Attorney General refers the case for
 1737 criminal prosecution;

1738 (c) Until 10 days after the complaint is determined
 1739 without merit; or

1740 (d) At all times if the complaint or information is
 1741 otherwise protected by law.

1742 (13) The agency shall terminate participation of a
 1743 Medicaid provider in the Medicaid program and may seek civil
 1744 remedies or impose other administrative sanctions against a
 1745 Medicaid provider, if the provider or any principal, officer,
 1746 director, agent, managing employee, or affiliated person of the
 1747 provider, or any partner or shareholder having an ownership
 1748 interest in the provider equal to 5 percent or greater, has been
 1749 convicted of a criminal offense under federal law or the law of
 1750 any state relating to the practice of the provider's profession,
 1751 or a criminal offense listed under s. 408.809(4), s.
 1752 409.907(10), or s. 435.04(2). If the agency determines that the
 1753 provider did not participate or acquiesce in the offense,
 1754 termination will not be imposed. If the agency effects a
 1755 termination under this subsection, the agency shall take final
 1756 agency action.

1757 (14) If the provider has been suspended or terminated from
 1758 participation in the Medicaid program or the Medicare program by
 1759 the Federal Government or any state, the agency must immediately
 1760 suspend or terminate, as appropriate, the provider's

1761 participation in this state's Medicaid program for a period no
1762 less than that imposed by the Federal Government or any other
1763 state, and may not enroll such provider in this state's Medicaid
1764 program while such foreign suspension or termination remains in
1765 effect. The agency shall also immediately suspend or terminate,
1766 as appropriate, a provider's participation in this state's
1767 Medicaid program if the provider participated or acquiesced in
1768 any action for which any principal, officer, director, agent,
1769 managing employee, or affiliated person of the provider, or any
1770 partner or shareholder having an ownership interest in the
1771 provider equal to 5 percent or greater, was suspended or
1772 terminated from participating in the Medicaid program or the
1773 Medicare program by the Federal Government or any state. This
1774 sanction is in addition to all other remedies provided by law.

1775 (15) The agency shall seek a remedy provided by law,
1776 including, but not limited to, any remedy provided in
1777 subsections (13) and (16) and s. 812.035, if:

1778 (a) The provider's license has not been renewed, or has
1779 been revoked, suspended, or terminated, for cause, by the
1780 licensing agency of any state;

1781 (b) The provider has failed to make available or has
1782 refused access to Medicaid-related records to an auditor,
1783 investigator, or other authorized employee or agent of the
1784 agency, the Attorney General, a state attorney, or the Federal
1785 Government;

1786 (c) The provider has not furnished or has failed to make
1787 available such Medicaid-related records as the agency has found
1788 necessary to determine whether Medicaid payments are or were due
1789 and the amounts thereof;

1790 (d) The provider has failed to maintain medical records
1791 made at the time of service, or prior to service if prior
1792 authorization is required, demonstrating the necessity and
1793 appropriateness of the goods or services rendered;

1794 (e) The provider is not in compliance with provisions of
1795 Medicaid provider publications that have been adopted by
1796 reference as rules in the Florida Administrative Code; with
1797 provisions of state or federal laws, rules, or regulations; with
1798 provisions of the provider agreement between the agency and the
1799 provider; or with certifications found on claim forms or on
1800 transmittal forms for electronically submitted claims that are
1801 submitted by the provider or authorized representative, as such
1802 provisions apply to the Medicaid program;

1803 (f) The provider or person who ordered, authorized, or
1804 prescribed the care, services, or supplies has furnished, or
1805 ordered or authorized the furnishing of, goods or services to a
1806 recipient which are inappropriate, unnecessary, excessive, or
1807 harmful to the recipient or are of inferior quality;

1808 (g) The provider has demonstrated a pattern of failure to
1809 provide goods or services that are medically necessary;

1810 (h) The provider or an authorized representative of the
 1811 provider, or a person who ordered, authorized, or prescribed the
 1812 goods or services, has submitted or caused to be submitted false
 1813 or a pattern of erroneous Medicaid claims;

1814 (i) The provider or an authorized representative of the
 1815 provider, or a person who has ordered, authorized, or prescribed
 1816 the goods or services, has submitted or caused to be submitted a
 1817 Medicaid provider enrollment application, a request for prior
 1818 authorization for Medicaid services, a drug exception request,
 1819 or a Medicaid cost report that contains materially false or
 1820 incorrect information;

1821 (j) The provider or an authorized representative of the
 1822 provider has collected from or billed a recipient or a
 1823 recipient's responsible party improperly for amounts that should
 1824 not have been so collected or billed by reason of the provider's
 1825 billing the Medicaid program for the same service;

1826 (k) The provider or an authorized representative of the
 1827 provider has included in a cost report costs that are not
 1828 allowable under a Florida Title XIX reimbursement plan after the
 1829 provider or authorized representative had been advised in an
 1830 audit exit conference or audit report that the costs were not
 1831 allowable;

1832 (l) The provider is charged by information or indictment
 1833 with fraudulent billing practices or an offense referenced in
 1834 subsection (13). The sanction applied for this reason is limited

1835 to suspension of the provider's participation in the Medicaid
1836 program for the duration of the indictment unless the provider
1837 is found guilty pursuant to the information or indictment;

1838 (m) The provider or a person who ordered, authorized, or
1839 prescribed the goods or services is found liable for negligent
1840 practice resulting in death or injury to the provider's patient;

1841 (n) The provider fails to demonstrate that it had
1842 available during a specific audit or review period sufficient
1843 quantities of goods, or sufficient time in the case of services,
1844 to support the provider's billings to the Medicaid program;

1845 (o) The provider has failed to comply with the notice and
1846 reporting requirements of s. 409.907;

1847 (p) The agency has received reliable information of
1848 patient abuse or neglect or of any act prohibited by s. 409.920;
1849 or

1850 (q) The provider has failed to comply with an agreed-upon
1851 repayment schedule.

1852

1853 A provider is subject to sanctions for violations of this
1854 subsection as the result of actions or inactions of the
1855 provider, or actions or inactions of any principal, officer,
1856 director, agent, managing employee, or affiliated person of the
1857 provider, or any partner or shareholder having an ownership
1858 interest in the provider equal to 5 percent or greater, in which
1859 the provider participated or acquiesced.

1860 (16) The agency shall impose any of the following
 1861 sanctions or disincentives on a provider or a person for any of
 1862 the acts described in subsection (15):

1863 (a) Suspension for a specific period of time of not more
 1864 than 1 year. Suspension precludes participation in the Medicaid
 1865 program, which includes any action that results in a claim for
 1866 payment to the Medicaid program for furnishing, supervising a
 1867 person who is furnishing, or causing a person to furnish goods
 1868 or services.

1869 (b) Termination for a specific period of time ranging from
 1870 more than 1 year to 20 years. Termination precludes
 1871 participation in the Medicaid program, which includes any action
 1872 that results in a claim for payment to the Medicaid program for
 1873 furnishing, supervising a person who is furnishing, or causing a
 1874 person to furnish goods or services.

1875 (c) Imposition of a fine of up to \$5,000 for each
 1876 violation. Each day that an ongoing violation continues, such as
 1877 refusing to furnish Medicaid-related records or refusing access
 1878 to records, is considered a separate violation. Each instance of
 1879 improper billing of a Medicaid recipient; each instance of
 1880 including an unallowable cost on a hospital or nursing home
 1881 Medicaid cost report after the provider or authorized
 1882 representative has been advised in an audit exit conference or
 1883 previous audit report of the cost unallowability; each instance
 1884 of furnishing a Medicaid recipient goods or professional

1885 services that are inappropriate or of inferior quality as
1886 determined by competent peer judgment; each instance of
1887 knowingly submitting a materially false or erroneous Medicaid
1888 provider enrollment application, request for prior authorization
1889 for Medicaid services, drug exception request, or cost report;
1890 each instance of inappropriate prescribing of drugs for a
1891 Medicaid recipient as determined by competent peer judgment; and
1892 each false or erroneous Medicaid claim leading to an overpayment
1893 to a provider is considered a separate violation.

1894 (d) Immediate suspension, if the agency has received
1895 information of patient abuse or neglect or of any act prohibited
1896 by s. 409.920. Upon suspension, the agency must issue an
1897 immediate final order under s. 120.569(2)(n).

1898 (e) A fine, not to exceed \$10,000, for a violation of
1899 paragraph (15)(i).

1900 (f) Imposition of liens against provider assets,
1901 including, but not limited to, financial assets and real
1902 property, not to exceed the amount of fines or recoveries
1903 sought, upon entry of an order determining that such moneys are
1904 due or recoverable.

1905 (g) Prepayment reviews of claims for a specified period of
1906 time.

1907 (h) Comprehensive followup reviews of providers every 6
1908 months to ensure that they are billing Medicaid correctly.

1909 (i) Corrective-action plans that remain in effect for up
1910 to 3 years and that are monitored by the agency every 6 months
1911 while in effect.

1912 (j) Other remedies as permitted by law to effect the
1913 recovery of a fine or overpayment.

1914
1915 If a provider voluntarily relinquishes its Medicaid provider
1916 number or an associated license, or allows the associated
1917 licensure to expire after receiving written notice that the
1918 agency is conducting, or has conducted, an audit, survey,
1919 inspection, or investigation and that a sanction of suspension
1920 or termination will or would be imposed for noncompliance
1921 discovered as a result of the audit, survey, inspection, or
1922 investigation, the agency shall impose the sanction of
1923 termination for cause against the provider. The agency's
1924 termination with cause is subject to hearing rights as may be
1925 provided under chapter 120. The Secretary of Health Care
1926 Administration may make a determination that imposition of a
1927 sanction or disincentive is not in the best interest of the
1928 Medicaid program, in which case a sanction or disincentive may
1929 not be imposed.

1930 (17) In determining the appropriate administrative
1931 sanction to be applied, or the duration of any suspension or
1932 termination, the agency shall consider:

1933 (a) The seriousness and extent of the violation or
 1934 violations.

1935 (b) Any prior history of violations by the provider
 1936 relating to the delivery of health care programs which resulted
 1937 in either a criminal conviction or in administrative sanction or
 1938 penalty.

1939 (c) Evidence of continued violation within the provider's
 1940 management control of Medicaid statutes, rules, regulations, or
 1941 policies after written notification to the provider of improper
 1942 practice or instance of violation.

1943 (d) The effect, if any, on the quality of medical care
 1944 provided to Medicaid recipients as a result of the acts of the
 1945 provider.

1946 (e) Any action by a licensing agency respecting the
 1947 provider in any state in which the provider operates or has
 1948 operated.

1949 (f) The apparent impact on access by recipients to
 1950 Medicaid services if the provider is suspended or terminated, in
 1951 the best judgment of the agency.

1952

1953 The agency shall document the basis for all sanctioning actions
 1954 and recommendations.

1955 (18) The agency may take action to sanction, suspend, or
 1956 terminate a particular provider working for a group provider,
 1957 and may suspend or terminate Medicaid participation at a

1958 | specific location, rather than or in addition to taking action
 1959 | against an entire group.

1960 | (19) The agency shall establish a process for conducting
 1961 | followup reviews of a sampling of providers who have a history
 1962 | of overpayment under the Medicaid program. This process must
 1963 | consider the magnitude of previous fraud or abuse and the
 1964 | potential effect of continued fraud or abuse on Medicaid costs.

1965 | (20) In making a determination of overpayment to a
 1966 | provider, the agency must use accepted and valid auditing,
 1967 | accounting, analytical, statistical, or peer-review methods, or
 1968 | combinations thereof. Appropriate statistical methods may
 1969 | include, but are not limited to, sampling and extension to the
 1970 | population, parametric and nonparametric statistics, tests of
 1971 | hypotheses, and other generally accepted statistical methods.
 1972 | Appropriate analytical methods may include, but are not limited
 1973 | to, reviews to determine variances between the quantities of
 1974 | products that a provider had on hand and available to be
 1975 | purveyed to Medicaid recipients during the review period and the
 1976 | quantities of the same products paid for by the Medicaid program
 1977 | for the same period, taking into appropriate consideration sales
 1978 | of the same products to non-Medicaid customers during the same
 1979 | period. In meeting its burden of proof in any administrative or
 1980 | court proceeding, the agency may introduce the results of such
 1981 | statistical methods as evidence of overpayment.

1982 (21) When making a determination that an overpayment has
 1983 occurred, the agency shall prepare and issue an audit report to
 1984 the provider showing the calculation of overpayments. The
 1985 agency's determination must be based solely upon information
 1986 available to it before issuance of the audit report and, in the
 1987 case of documentation obtained to substantiate claims for
 1988 Medicaid reimbursement, based solely upon contemporaneous
 1989 records. The agency may consider addenda or modifications to a
 1990 note that was made contemporaneously with the patient care
 1991 episode if the addenda or modifications are germane to the note.

1992 (22) The audit report, supported by agency work papers,
 1993 showing an overpayment to a provider constitutes evidence of the
 1994 overpayment. A provider may not present or elicit testimony on
 1995 direct examination or cross-examination in any court or
 1996 administrative proceeding, regarding the purchase or acquisition
 1997 by any means of drugs, goods, or supplies; sales or divestment
 1998 by any means of drugs, goods, or supplies; or inventory of
 1999 drugs, goods, or supplies, unless such acquisition, sales,
 2000 divestment, or inventory is documented by written invoices,
 2001 written inventory records, or other competent written
 2002 documentary evidence maintained in the normal course of the
 2003 provider's business. A provider may not present records to
 2004 contest an overpayment or sanction unless such records are
 2005 contemporaneous and, if requested during the audit process, were
 2006 furnished to the agency or its agent upon request. This

2007 | limitation does not apply to Medicaid cost report audits. This
 2008 | limitation does not preclude consideration by the agency of
 2009 | addenda or modifications to a note if the addenda or
 2010 | modifications are made before notification of the audit, the
 2011 | addenda or modifications are germane to the note, and the note
 2012 | was made contemporaneously with a patient care episode.

2013 | Notwithstanding the applicable rules of discovery, all
 2014 | documentation to be offered as evidence at an administrative
 2015 | hearing on a Medicaid overpayment or an administrative sanction
 2016 | must be exchanged by all parties at least 14 days before the
 2017 | administrative hearing or be excluded from consideration.

2018 | (23) (a) In an audit, or investigation, or enforcement
 2019 | action for ~~of~~ a violation committed by a provider which is
 2020 | conducted or taken pursuant to this section, the agency or
 2021 | contractor is entitled to recover any and all investigative and
 2022 | legal costs incurred as a result of such audit, investigation,
 2023 | or enforcement action. Such costs may include, but are not
 2024 | limited to, salaries and benefits of personnel, costs related to
 2025 | the time spent by an attorney and other personnel working on the
 2026 | case, and any other expenses incurred by the agency or
 2027 | contractor that are associated with the case, including any, ~~and~~
 2028 | expert witness costs and attorney fees incurred on behalf of the
 2029 | agency or contractor if the agency's findings were not contested
 2030 | by the provider or, if contested, the agency ultimately
 2031 | prevailed.

2032 (24) If the agency imposes an administrative sanction
 2033 pursuant to subsection (13), subsection (14), or subsection
 2034 (15), except paragraphs (15)(e) and (o), upon any provider or
 2035 any principal, officer, director, agent, managing employee, or
 2036 affiliated person of the provider who is regulated by another
 2037 state entity, the agency shall notify that other entity of the
 2038 imposition of the sanction within 5 business days. Such
 2039 notification must include the provider's or person's name and
 2040 license number and the specific reasons for sanction.

2041 (25)(a) The agency shall withhold Medicaid payments, in
 2042 whole or in part, to a provider upon receipt of reliable
 2043 evidence that the circumstances giving rise to the need for a
 2044 withholding of payments involve fraud, willful
 2045 misrepresentation, or abuse under the Medicaid program, or a
 2046 crime committed while rendering goods or services to Medicaid
 2047 recipients. If it is determined that fraud, willful
 2048 misrepresentation, abuse, or a crime did not occur, the payments
 2049 withheld must be paid to the provider within 14 days after such
 2050 determination. Amounts not paid within 14 days accrue interest
 2051 at the rate of 10 percent per year, beginning after the 14th
 2052 day.

2053 (b) The agency shall deny payment, or require repayment,
 2054 if the goods or services were furnished, supervised, or caused
 2055 to be furnished by a person who has been suspended or terminated

2056 | from the Medicaid program or Medicare program by the Federal
2057 | Government or any state.

2058 | (c) Overpayments owed to the agency bear interest at the
2059 | rate of 10 percent per year from the date of final determination
2060 | of the overpayment by the agency, and payment arrangements must
2061 | be made within 30 days after the date of the final order, which
2062 | is not subject to further appeal.

2063 | (d) The agency, upon entry of a final agency order, a
2064 | judgment or order of a court of competent jurisdiction, or a
2065 | stipulation or settlement, may collect the moneys owed by all
2066 | means allowable by law, including, but not limited to, notifying
2067 | any fiscal intermediary of Medicare benefits that the state has
2068 | a superior right of payment. Upon receipt of such written
2069 | notification, the Medicare fiscal intermediary shall remit to
2070 | the state the sum claimed.

2071 | (e) The agency may institute amnesty programs to allow
2072 | Medicaid providers the opportunity to voluntarily repay
2073 | overpayments. The agency may adopt rules to administer such
2074 | programs.

2075 | (26) The agency may impose administrative sanctions
2076 | against a Medicaid recipient, or the agency may seek any other
2077 | remedy provided by law, including, but not limited to, the
2078 | remedies provided in s. 812.035, if the agency finds that a
2079 | recipient has engaged in solicitation in violation of s. 409.920
2080 | or that the recipient has otherwise abused the Medicaid program.

2081 (27) When the Agency for Health Care Administration has
 2082 made a probable cause determination and alleged that an
 2083 overpayment to a Medicaid provider has occurred, the agency,
 2084 after notice to the provider, shall:

2085 (a) Withhold, and continue to withhold during the pendency
 2086 of an administrative hearing pursuant to chapter 120, any
 2087 medical assistance reimbursement payments until such time as the
 2088 overpayment is recovered, unless within 30 days after receiving
 2089 notice thereof the provider:

- 2090 1. Makes repayment in full; or
- 2091 2. Establishes a repayment plan that is satisfactory to
- 2092 the Agency for Health Care Administration.

2093 (b) Withhold, and continue to withhold during the pendency
 2094 of an administrative hearing pursuant to chapter 120, medical
 2095 assistance reimbursement payments if the terms of a repayment
 2096 plan are not adhered to by the provider.

2097 (28) Venue for all Medicaid program integrity cases lies
 2098 in Leon County, at the discretion of the agency.

2099 (29) Notwithstanding other provisions of law, the agency
 2100 and the Medicaid Fraud Control Unit of the Department of Legal
 2101 Affairs may review a provider's Medicaid-related and non-
 2102 Medicaid-related records in order to determine the total output
 2103 of a provider's practice to reconcile quantities of goods or
 2104 services billed to Medicaid with quantities of goods or services
 2105 used in the provider's total practice.

2106 (30) The agency shall terminate a provider's participation
 2107 in the Medicaid program if the provider fails to reimburse an
 2108 overpayment or pay an agency-imposed fine that has been
 2109 determined by final order, not subject to further appeal, within
 2110 30 days after the date of the final order, unless the provider
 2111 and the agency have entered into a repayment agreement.

2112 (31) If a provider requests an administrative hearing
 2113 pursuant to chapter 120, such hearing must be conducted within
 2114 90 days following assignment of an administrative law judge,
 2115 absent exceptionally good cause shown as determined by the
 2116 administrative law judge or hearing officer. Upon issuance of a
 2117 final order, the outstanding balance of the amount determined to
 2118 constitute the overpayment and fines is due. If a provider fails
 2119 to make payments in full, fails to enter into a satisfactory
 2120 repayment plan, or fails to comply with the terms of a repayment
 2121 plan or settlement agreement, the agency shall withhold
 2122 reimbursement payments for Medicaid services until the amount
 2123 due is paid in full.

2124 (32) Duly authorized agents and employees of the agency
 2125 shall have the power to inspect, during normal business hours,
 2126 the records of any pharmacy, wholesale establishment, or
 2127 manufacturer, or any other place in which drugs and medical
 2128 supplies are manufactured, packed, packaged, made, stored, sold,
 2129 or kept for sale, for the purpose of verifying the amount of
 2130 drugs and medical supplies ordered, delivered, or purchased by a

2131 provider. The agency shall provide at least 2 business days'
2132 prior notice of any such inspection. The notice must identify
2133 the provider whose records will be inspected, and the inspection
2134 shall include only records specifically related to that
2135 provider.

2136 (33) In accordance with federal law, Medicaid recipients
2137 convicted of a crime pursuant to 42 U.S.C. s. 1320a-7b may be
2138 limited, restricted, or suspended from Medicaid eligibility for
2139 a period not to exceed 1 year, as determined by the agency head
2140 or designee.

2141 (34) To deter fraud and abuse in the Medicaid program, the
2142 agency may limit the number of Schedule II and Schedule III
2143 refill prescription claims submitted from a pharmacy provider.
2144 The agency shall limit the allowable amount of reimbursement of
2145 prescription refill claims for Schedule II and Schedule III
2146 pharmaceuticals if the agency or the Medicaid Fraud Control Unit
2147 determines that the specific prescription refill was not
2148 requested by the Medicaid recipient or authorized representative
2149 for whom the refill claim is submitted or was not prescribed by
2150 the recipient's medical provider or physician. Any such refill
2151 request must be consistent with the original prescription.

2152 (35) The Office of Program Policy Analysis and Government
2153 Accountability shall provide a report to the President of the
2154 Senate and the Speaker of the House of Representatives on a
2155 biennial basis, beginning January 31, 2006, on the agency's

2156 | efforts to prevent, detect, and deter, as well as recover funds
2157 | lost to, fraud and abuse in the Medicaid program.

2158 | (36) The agency may provide to a sample of Medicaid
2159 | recipients or their representatives through the distribution of
2160 | explanations of benefits information about services reimbursed
2161 | by the Medicaid program for goods and services to such
2162 | recipients, including information on how to report inappropriate
2163 | or incorrect billing to the agency or other law enforcement
2164 | entities for review or investigation, information on how to
2165 | report criminal Medicaid fraud to the Medicaid Fraud Control
2166 | Unit's toll-free hotline number, and information about the
2167 | rewards available under s. 409.9203. The explanation of benefits
2168 | may not be mailed for Medicaid independent laboratory services
2169 | as described in s. 409.905(7) or for Medicaid certified match
2170 | services as described in ss. 409.9071 and 1011.70.

2171 | (37) The agency shall post on its website a current list
2172 | of each Medicaid provider, including any principal, officer,
2173 | director, agent, managing employee, or affiliated person of the
2174 | provider, or any partner or shareholder having an ownership
2175 | interest in the provider equal to 5 percent or greater, who has
2176 | been terminated for cause from the Medicaid program or
2177 | sanctioned under this section. The list must be searchable by a
2178 | variety of search parameters and provide for the creation of
2179 | formatted lists that may be printed or imported into other

2180 applications, including spreadsheets. The agency shall update
2181 the list at least monthly.

2182 (38) In order to improve the detection of health care
2183 fraud, use technology to prevent and detect fraud, and maximize
2184 the electronic exchange of health care fraud information, the
2185 agency shall:

2186 (a) Compile, maintain, and publish on its website a
2187 detailed list of all state and federal databases that contain
2188 health care fraud information and update the list at least
2189 biannually;

2190 (b) Develop a strategic plan to connect all databases that
2191 contain health care fraud information to facilitate the
2192 electronic exchange of health information between the agency,
2193 the Department of Health, the Department of Law Enforcement, and
2194 the Attorney General's Office. The plan must include recommended
2195 standard data formats, fraud identification strategies, and
2196 specifications for the technical interface between state and
2197 federal health care fraud databases;

2198 (c) Monitor innovations in health information technology,
2199 specifically as it pertains to Medicaid fraud prevention and
2200 detection; and

2201 (d) Periodically publish policy briefs that highlight
2202 available new technology to prevent or detect health care fraud
2203 and projects implemented by other states, the private sector, or

2204 the Federal Government which use technology to prevent or detect
 2205 health care fraud.

2206 Section 42. Paragraph (a) of subsection (2) of section
 2207 409.920, Florida Statutes, is amended to read:

2208 409.920 Medicaid provider fraud.—

2209 (2) (a) A person may not:

2210 1. Knowingly make, cause to be made, or aid and abet in
 2211 the making of any false statement or false representation of a
 2212 material fact, by commission or omission, in any claim submitted
 2213 to the agency or its fiscal agent or a managed care plan for
 2214 payment.

2215 2. Knowingly make, cause to be made, or aid and abet in
 2216 the making of a claim for items or services that are not
 2217 authorized to be reimbursed by the Medicaid program.

2218 3. Knowingly charge, solicit, accept, or receive anything
 2219 of value, other than an authorized copayment from a Medicaid
 2220 recipient, from any source in addition to the amount legally
 2221 payable for an item or service provided to a Medicaid recipient
 2222 under the Medicaid program or knowingly fail to credit the
 2223 agency or its fiscal agent for any payment received from a
 2224 third-party source.

2225 4. Knowingly make or in any way cause to be made any false
 2226 statement or false representation of a material fact, by
 2227 commission or omission, in any document containing items of
 2228 income and expense that is or may be used by the agency to

2229 determine a general or specific rate of payment for an item or
2230 service provided by a provider.

2231 5. Knowingly solicit, offer, pay, or receive any
